

"That from childhood you have known the Holy Scriptures, which are able to make you wise for salvation through faith which is in Christ Jesus."

(2 Timothy 3:15)

What Makes Redemption Different

- ▶ We offer a traditional education approach covering the core subjects of reading/phonics, math, language arts, social studies, science, music, history, and art.
- ▶ We can adapt our style and approach to fit the student's needs. Our primary goal is high academic achievement for each student.
- ▶ We approach every topic from a Biblical perspective, and we emphasize personal values in addition to academic instruction. We do not change our subject matter to fit political movements or agendas.
